1 testing data provided by Plaintiff's expert neuropsychologist, and complete depositions of named
 2 experts. The parties exchanged expert witness disclosures on October 10, 2017. At that time,
 3 the reports for Plaintiff's expert economist and vocational rehabilitation specialist were not
 4 available. Plaintiff's expert economist will not have an expert report finalized until November 8,
 5 2017 and will not be deposed until the week of November 20. The parties stipulate and agree to
 6 an additional extension of the rebuttal witness deadline solely for the purpose of the United
 7 States to name a rebuttal economist. This limited, additional extension will allow the United
 8 States the opportunity to fully evaluate and respond to Plaintiff's economist's report. Plaintiff
 9 has agreed to waive a deposition of the United States' rebuttal expert, so the discovery deadline
 10 does not need to be extended. This is the second request for extension of deadlines made by the
 11 parties with regard to the Court's January 23, 2017 Order Setting Bench Trial and Pretrial Dates
 12 (Dkt. No. 9). The new deadlines will not affect the other pretrial deadlines in this case.
